# GIN

Here's what the symbols mean:

 1 tree planted for every litre sold

 Refillable bottle. We buy these gins in bulk, reusable containers

 Locally produced (Kent/Sussex)

We're trying to work with producers who give something back and produce in a sustainable fashion where we can - the majority of our spirits are produced sustainably & we're aiming for 100% soon!

Our menu's are printed on recycled paper and card
